Get the best from your  
cameras with our latest  
generation algorithms.**

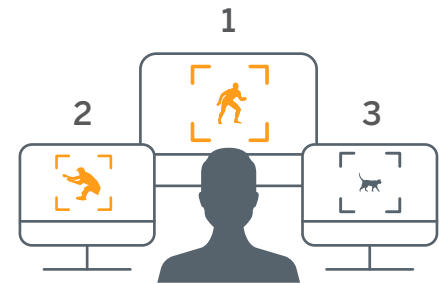

Big solutions  
for small sites

We don't wait for  
things to happen

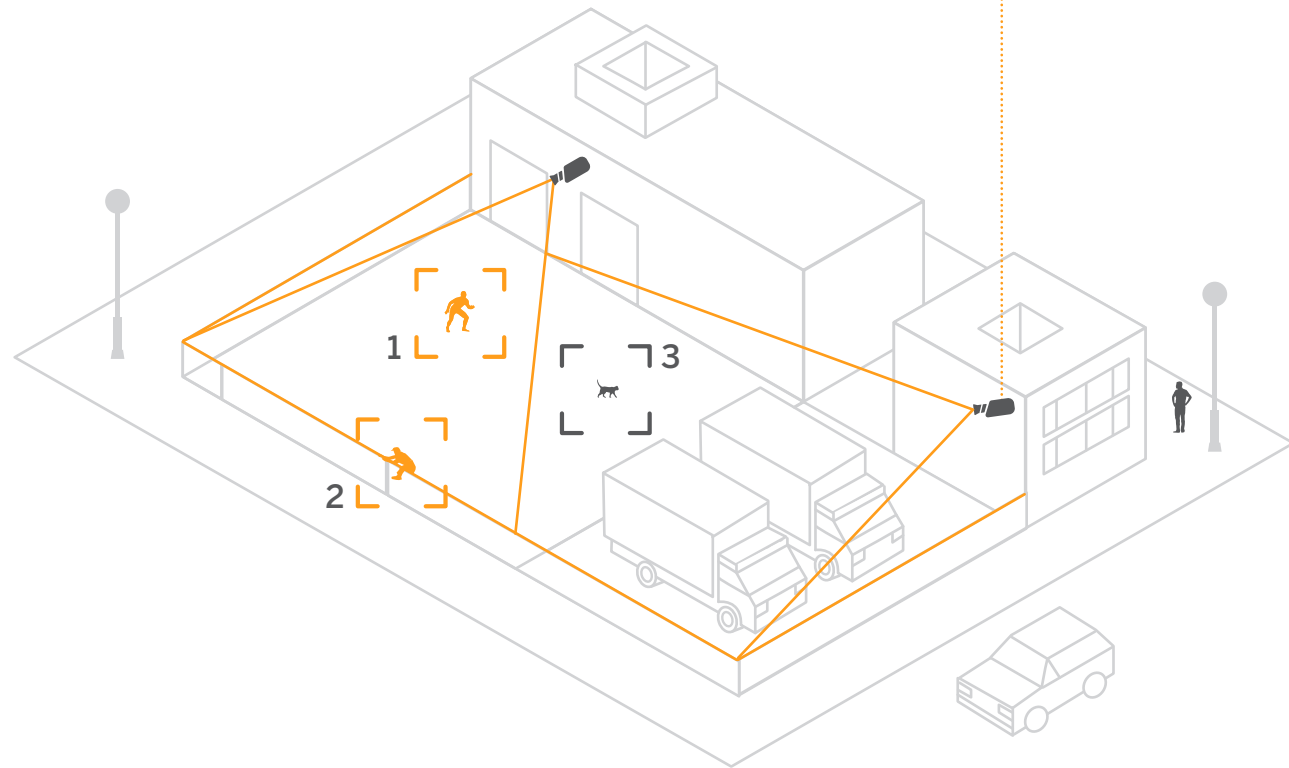

Technology you  
can believe in

Sharing  
knowledge

# WHY VIDEO ANALYTICS

**DAVIEWMINI:**  
Your new security guard

## Best efficiency

Our system enables us to be ready for all types of incidents.

## Verification process

Quick, easy alarm verification to act within seconds.

## VIDEO ANALYTICS TECHNOLOGY YOU CAN BELIEVE IN

We create a new perimeter with maximum security and minimum false alarms, with ambitious video surveillance systems in complex installations.

### Committed to the success of each project

We study each case and advise you on the best solution, guiding you through every phase of the project, starting with the sales visit, through system design, planning and commissioning.

### We share knowledge

Our excellent technical service is highly committed and provides remote support. We are always there for you.

### Internationally recognised quality

Over 10,000 km / 6,000 mi of perimeter under surveillance with channels installed in more than 40 countries worldwide.

### Integrated solution

In-house technology compatible with all hardware brands. Total freedom to design a superior CCTV system. Compatible with most CMS.

# BIG SOLUTIONS FOR SMALL SITES

YOUR BUSINESS, IN SAFE HANDS

## INDUSTRIAL UNITS

**We feel part of your business**

We make your business secure and protect the physical safety of your people, property and services.

Reliable protection for industrial estates and medium-size companies with our own video surveillance software connected to CMS.

## BUILDINGS

**It's all happening around you**

Being secure doesn't have to mean inconvenience or interference with the busy operations that take place on your premises.

No two buildings are the same. Our video surveillance system watches over the most sensitive parts of your site, 24 hours a day.

## HOMES

**Our greatest success is your security**

Your home and the people and possessions it contains are what matter most. That's why they deserve the best protection.

Optimal security and effective video analytics to safeguard your home, with remotely activated dissuasive measures.

**COMPREHENSIVE SECURITY SOLUTIONS FOR SMALL PREMISES, COMBINED WITH VIDEO ANALYTICS AND ALARM VERIFICATION BY A CMS FOR IMMEDIATE ACTION.**

**BUILDINGS**

Security should not interfere with activities on busy facilities.

**INDUSTRIAL UNITS**

We safeguard your operations and protect your people, goods and services.

**HOMES**

Because your home and what you have inside it matter most. Keep it safe with effective security.

# DAVIEW MINI

YOUR NEW SECURITY GUARD

Quick and easy installation

Highly intuitive software

# DAVANTISAPP

SECURITY IN YOUR HANDS

Our app gives you access to your premises and powers the most common actions quickly and easily.

- View alarms with snapshots and videos
- Receive instant alarm notifications
- Check live cameras
- Arm and disarm the system
- Activate deterrents

# We are always there for you.

We set out to achieve secure spaces. We are pioneers in the field of video analytics, with more than 30 % of our team devoted exclusively to research and development of new solutions.

We develop our own state-of-the-art technology, which is compatible with all the security systems on the market.

Everything we produce is of the highest quality, and we are 100 % committed to our customers' projects, to ensure total success every time.
